

How to Make \$2,000/month With Valentus in 12 months or less!

Hi, Bob Broughton here. I'm going to show you just how simple it is to create a great income with Valentus.

Your business is divided into 2 sides, left and right, and when you enroll a customer or Independent Representative (IR) you decide whether to place them on the L or the R.

Because you can only have 2 people directly below you, anyone you or anyone above you enrolls, must be placed under one of the people directly below you and so on....

Now let's assume that each person is generating 100 BV's (Business Volume) each month (2 servings of the [world's healthiest coffee](#) a day at *only* \$1.79 per serving), which is what most people do.

Every time 100 BV's on one side matches with 200 BV's on the other side a \$20 commission is generated, so with as few as 3 enrollees generating 100 BV's every month you would earn \$20 a month.

Not much, BUT...

Let's say you have 10 enrollees on one side and 20 on the other side, for a total of 30 people, you'd generate \$200 a month in residual commission.

100 enrollees on one side and 200 on the other side, for a total of 300 people, you'd generate \$2,000 a month in residual commission.

Enrollees			Monthly Commission
Left	Right	Total	
1	2	3	\$20
10	20	30	\$200
100	200	300	\$2,000
1,000	2,000	3,000	\$20,000

You can't do it alone... I can't do it alone... **TOGETHER WE CAN!**

That's the goal...

Build a large downline of customers and IR's, that
Builds a large sales volume, that
Builds large commission cheques!

A lot of people doing a little bit.

And that's only 1 of 7 different commission streams you can earn with Valentus!
